2012 NMTC Application – Will *You* be Ready?

The [Committee on Ways and Means](#) is holding a hearing on June 8, 2012 to discuss tax extenders – including extension of the New Markets Tax Credit (NMTC) Program. Momentum is building in support of the NMTC and according to Bob Rapoza, a fixture in the NMTC lobbying and government relations arena, “the NMTC Program has more co-sponsors in Congress at this point than it has historically ever had.” Should the NMTC be extended, will your 2012 New Markets Tax Credit application have the key components necessary to win an allocation?

With a delay in the release of the 2012 NMTC Allocation Application, *now* is an opportune time to determine if your NMTC application bears the key components necessary for winning an allocation. Click on the thought leadership graphic below to learn how you can add value to your NMTC application and increase your chances of winning.
